Welcome to the Newmarket Skating Club's Online Registration

All skating programs take place at the Magna Centre located at 800 Mulock Drive, east of Bayview, west of Leslie.

The on-line system is secure and easy to use. You can pay with credit card or you can choose the option to pay offline with cheque or cash. If you use your credit card for payment, your spot is immediately secured. If you choose the option to pay offline your payment must be received prior to first session. Detailed instructions for offline payments will be provided at the bottom of the invoice once you complete your registration.

For families with 3 or more skaters there is a discount of 5% per skater. all skaters must be registered on the same invoice for it to apply. There is a discount of 10% offered on the CanSkate and PreCanSkate programs when the same skater registers for 2 or more sessions on the same invoice, this does not apply to summer programs.

NOTE: All pricing is at the per session price and then the multi-day discount will be calculated at checkout. If you are paying in installments, the first payment (initial deposit to reserve your choices) is calculated as 10% of the session price before any discounts are applied plus the Skate Canada fee then the remaining balance is divided over the number of installments. There is a \$25 admin fee to switch sessions.

Existing Members

Members who registered last season can simply login with the email and password they used previously and go to the Registration tab. If you cannot remember your login details, PLEASE DO NOT CREATE A NEW ACCOUNT as multiple accounts for a family will create problems.

New Members

If you have not set up a member account you will need to create a Family Account to get started. To do so please follow these instructions:

If you have an account then proceed to login and if you are new you need to set up a Family account. Instructions for setting up your Family Account are provided here [Account Setup Instructions.pdf](#)

1. Once you have created your Family Account, click on Registration located in the menu bar at the top of the page. You will then be taken to the Programs page.
2. From the Programs page, use the filters on the left to select the correct SEASON and CATEGORY and then click on the program with the date

- CanSkate - Agility (evaluated: 2018-04-12)
- CanSkate - Balance (evaluated: 2018-04-12)
- CanSkate - Control (evaluated: 2018-04-12)

Summarized By Program
CANskate Tue

There are three primary building blocks that Skate Canada and Newmarket Skating Club use to evaluate the progression of your skater, which appear in your skaters evaluations:

- **Agility**: Skills concentrating on most turning and jumping skills.
- **Balance**: Activities concentrating on most forward skills, pushing technique and edges.
- **Control**: Focusing on most backwards skills, stopping and speed elements.

Published Evaluations by Focus Area

See Agility, Balance and Control Progression

Historically the club provided you with summaries of you skaters progress on paper. We normalized the Agility, Balance and Control to a single view.

Now, we are sharing the real view of the data in our Athlete Management Program.

By selecting each Evaluation (Agility, Balance and Control) you can understand the progression of your skater in these three areas of emphasis.

In addition, you can see the date they have “Achieved” the complete level of that discipline.

It is also important to know that Skate Canada dictates this approach to skating instruction and we do our very best to implement their ideas and program directions. If you have any questions about this program, please don't hesitate to reach out to our Skating Program Director.

Achievements View

Summative view of your Skater's success

Alternatively, if you just want to see your Skater's progression at a high-level you can select "Achievements" and you will see their information at a high-level.

In this way you can get a historical view of our skaters past activities at a high-level.

Level	Achievement	Date
CanSkate 1	CanSkate 1 - Agility	★ 2018-01-04 🕒 2018-01-04 by Office Account
	CanSkate 1 - Balance	★ 2018-01-04 🕒 2018-01-04 by Office Account
	CanSkate 1 - Control	★ 2018-01-04 🕒 2018-01-04 by Office Account

(Please note that you will only see levels in which your skater has at least one level completed. Not all levels always appear here).

Achievements View

Summative view of your Skater's success

Incidentally, our STAR skaters also use the Achievements to track their progress. So, as your Skater progresses through NSC we will have all of their records from CanSkate to STAR skate in one place!
